

Request for Consulting Educator or Instructional Coach

The administrator of _____ and _____
(School) (Educator)

request participation in the Jordan School District Coaching Program.

I give my permission for the release of the UETS-based JPAS Evaluation Feedback Report and other evaluation related information to the Jordan School District Coaching Program. I understand this information is to be held in confidence and not released without my expressed written consent. I understand that participation in this program is voluntary and can be terminated at any time by either party. The Consulting Educator/Coach assigned to me has permission to talk with my administrator about the reasons for this request.
