

Jordan School District  
Student Growth Performance Form

As required by law, the Jordan School District educator evaluation system includes a component of student growth. This component must include learning goals based on Utah Core Standards, pre- and post-assessments, and targets for monitoring.

Teacher Name	Course/Subject	Department/Grade

**Department or Team will use an existing SLO**

Name of SLO	
Scheduled date of Pre-assessment	
Scheduled date of Post-assessment
