Plan for Improvement
JPAS Addendum
Instructions and Guide

A Plan for Improvement is REQUIRED for any Provisional Educator or Career Educator that scores in the “Not Effective” range on the JPAS (State Code 53A-8a-501 and 53A-8a-503). A Plan for Improvement may also be used for any Provisional Educator or Career Educator that scores in the “Minimally Effective” range – but is not required. The JSD Plan for Improvement was developed in collaboration with Human Resources, Curriculum and JEA. The instructions and guidelines below will guide you through the creation and implementation process.

**Intent & Purpose:**
- Is NOT for issues of misconduct (Employee Misconduct)
- IS intended to help educators who score in the “Not Effective” and/or “Minimally Effective” range on the JPAS
- Will help the evaluator/administrator develop a plan for improvement that will help the educator:
  - Know with clarity the area(s) of needed improvement.
  - Know the performance expectations to improve.
  - Know the resources available to them to meet the expectations for improvement.
